

Delivering Millions of Meals to Schools Nationwide

My Hot Lunchbox is a quick and easy lunch solution that offers your child's favorite restaurants, delivered to your school. We focus on having a variety of delicious options every day of the week, providing parents an alternative to packing lunch!

Order in Advance

Ordering is opened two weeks before school begins so you will have plenty of time to look through the menus and order. You will get an email when ordering has opened for your school along with instructions on how to create an account. You can add, edit, or cancel an order up to 12 PM, noon, the day prior to delivery!

Allergen Labeled & Customizable

Worried about a food allergy or dietary restriction? All menu items are allergen labeled on the lunch calendar and customizations are available from most of our vendors. Just be sure to voice these concerns and we will do everything we can to meet your school's needs!

Program Features

My Hot Lunchbox provides a variety of features to make ordering lunch even easier! Our system allows you the option to copy an order and repeat through a selected date. We also offer a 'Subscription' feature so you can pick your favorites, copy them, and only be charged weekly!
