How does discipline work at camp? Discipline Policy—For all children to have a safe and enjoyable summer, we look for, as well as work towards guiding each camper to demonstrate Christian attitudes and behaviors throughout the day with both our staff and their peers. Having said that, we do not tolerate physical violence of any kind. Should your child take part in such behavior, you will be called immediately to pick up your child and remove them from camp. Return to camp will be at the Directors discretion.

Regarding other poor choices and behaviors, we expect that all campers will not take part in any bullying, inappropriate language, destruction of Summer in the Son property or any type of repeated bad behavior in general. Please know that grace will always be shown in these circumstances and know that we will work diligently on redirecting them, but if a child continues to have a behavior/discipline problem, they may be removed from the summer camp program all together at the discretion of the Director.
